### ***Our Services***

Inverdea Financial Services Ltd., acts as an **impartial Broker** which means that:

- a) the principal regulated activities of the firm are provided on the basis of a fair analysis of the market; and
- b) you have the option to pay in full for our services by means of a fee.

### ***Fair Analysis***

The concept of fair analysis is derived from the Insurance Mediation Directive. It describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such

that could be reasonably expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

### ***Life & Pensions ,PRSAs and Investments***

Inverdea Financial Services Ltd., provides advice on life assurance, pensions and PRSAs, and Investments on a fair analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet the your needs.

Where we arrange to establish policies for you benefit we will provide assistance to you in relation to any queries you may have with regard to such policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to Permanent Health Insurance and serious illness policies.

### ***Regular Reviews***

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change.
